June 4, 2012

To Whom It May Concern:

The City of Biloxi has been supporting the programs of the Disability Connection in numerous ways since 2002. Disability Connection annually host/co-host four well-attended disability awareness events. We also partner in current and future plans including Basketball clinics, Fishing Rodeos, Charter trips and more.

The City of Biloxi donates facilities, logistical support and staffing at these events. Together we are seeking new ideas to help this population including provision of specialized sports equipment for our community centers. We look forward to the development of the Disability Connection Resource Center, the social network for citizens with disabilities and the Film, "Recreation for People with Disabilities," that will highlight activities for people with disabilities on the Gulf Coast.

We are totally committed to assisting Disability Connection in furthering their mission to engage our citizens with disabilities in Biloxi and the Gulf Coast area.

Should any further information be needed please do not hesitate to contact me at 435-6296 or email at cbell@biloxi.ms.us.

Sincerely,

A handwritten signature in black ink that reads "Cheryl Bell". The signature is fluid and cursive.
