

"I Love My Playground" Party

Please join the fun on Earth Day 2014!

We will plant something green, do an art project with colored sand, enjoy music, lunch, and fun.

And of, course, play on your
Disability Connection Community Playground!

Come Celebrate with Us!

The First Gulf Coast Playground designed for Everyone to Play!

Registration is encouraged. Please bring a picnic lunch; snacks and drinks provided.
Please email or call to register.

Everyone will receive
seeds to take home.

We appreciate
