**RE: Invitation to partner in the first Community Resource Fair for Health, Employment, and Inclusion**

Greetings from the Disability Connection Staff,

This is a personal invitation for your organization to be a part of the first Community Resource Fair which will take place at Edgewater Mall Friday, February 17th, from 10am – 1:30pm.

Our community is rich in resources that serve our community with health, employment, and disability services. Disability Connection was host to the People with Disabilities/Disabled Veterans Job Fair for 5 years and the Mayor's Disability Awareness Health Fair for eight years. As part of serving this community, in 2013, Disability Connection developed the MS Gulf Coast Community Resource Guide to serve the southern 6 counties.

DC is inviting coast organizations to partner in an event to network these resources and promote them to families, caregivers, and our community at large. The Community Resource Fair will provide the community with information, awareness, and educational materials.

Please contact Disability Connection for more information or to register for this event. Complete the attached registration form, and mail, e-mail, or fax it. We will be contacting you via email to confirm that we have received your registration form and with event updates.

We appreciate your help in service to our community.
