COMMUNITY ART EVENT November 2022

THE 2022 EVENT IS THEMED "Blast Off to Outer Space!"

Biloxi Civic Center, 9:00 am-1:00 pm; Thursday, November 10, 2022

Schools serving students with intellectual/developmental disabilities, age 8 through 21 years old, are encouraged to register these students.

The Art Ability Fair is a fun-filled day of art and entertainment. Participants will learn about art and have fun with their friends.

This is the **13th** annual art event hosted by Disability Connection, with the help of partnering organizations and artist volunteers. Art projects include painting, pottery, crafts, dancing, jewelry, and music. Students get to select face-painting and props for a professional photo in front of a themed background. Each school will receive a bag of information on community resources. A Framed display with pictures of the event and its sponsors is hosted by Lynn Meadows Discovery Center, Walter Anderson Museum of Art, & the Knight Nonprofit Center.

Pre-Registration is required as art activities, food, and volunteers require advanced planning. Please submit the **Registration Form** for your class. Donations of \$5 per student are appreciated but not required to assist with expenses.

Partnering Organizations: Walter Anderson Museum of Art, Kevin John O'Keefe Studio, MS Dept of Rehabilitation, Studio G, Ohr-O'Keefe Museum of Art, Lynn Meadows Discovery Center, Studio 1 Productions, Snaparazzi Photo Booth, Kentwood Water, Corso, Negrotto's Gallery, Starbucks, McDonalds, Krispy Kreme, Gulf Coast Produce, Coast Media, Gautier Middle School Students, and additional Volunteers.
