

Caleb graduated with High Honors from the University of North Texas with a degree in Emergency Administration and Disaster Planning and a minor in Public Administration.

After college, he worked as an Emergency Preparedness Specialist with the North Central Texas Council of Governments. His primary rolls in his time there included coordinating the Regional Emergency Preparedness Advisory Council and the SWAT/USAR Regional Sub Committees for Dallas/Fort Worth/Arlington Region. Caleb's experience later brought him to the Texas State Administrative Agency as a consultant to streamline State coordinating for the Homeland Security Grant Program. In 2009, Caleb moved back to the Mississippi Gulf Coast to be closer to his family roots. Caleb has a vast background in Multi-Agency Coordinating and Response within both Bureaucratic and Political fronts.

Caleb's hobbies and interests along with a passion to learn has brought him many past and current certifications and specialties including: completing Emergency Medical Technician Basic Training, FAA Student Pilot Certificate, 100 Ton Masters Captain License, ASE Mechanics Certification, Skywarn Storm Spotter Certification, Level 1 Certified Sailing Instructor, Amateur Radio License, SCUBA Certification, and Licensed Funeral Director.

Caleb has held leadership positions in many organizations either professionally or volunteer with a passion to improve and innovate processes for the betterment of society. He served as the Governor and President of Junior Civitans, the Senior Patrol Leader in his troop while pursuing his Eagle Scout, and Pastor for Itasca Ministries.

Caleb started his time at Disability Connection as a volunteer and transitioned to part time staff as his rolls increased to fulfill unmet needs within the organization. Caleb also works as a part time Funeral Director for Bradford-O'Keefe Funeral Home and a Captain for the Biloxi Maritime Seafood and Industry Museum.
