ABOUT THE ARTIST this license plate features the artwork of **Jody Barrilleaux**, a Mississippi coast native known for his **large-scale mural** work and coastal canvas fine art. Jody's acclaimed projects include collaborations with high-profile **celebrity clients** including the United States Air Force, City of New York Economic Development Association, and Atlantic Aviation. Jody has created large murals at **Margaritaville in Biloxi** as well as **Gollott's Seafood**. He has generously donated this stunning design, showcasing a blue heron and a schooner, framed in rope—a tribute to the natural beauty of the **South Mississippi Coast**. We are grateful for his support of **Disability Connection's** mission, “connecting our community...” To empower individuals in our community.
